Fresh buttermilk at the Tonopah Dairy. 5-4-1f.

## WOULD STRIKE OUT NEARLY ALL OF COMPLAINT

MOTION MADE YESTERDAY IN  
CASE CONCERNING MANHATTAN PLACERS.

A hearing on a motion to strike out part of the complaint in the case of Gillette and others versus John G. Mikelitch concerning placer ground at Manhattan, was on before the district court yesterday. The complaint was one of unusual length and the motion effects about nine-tenths of the body. The matter was taken under advisement.

Considerable amusement was occasioned in court when the matter was called to attention by the fact that C. N. McIntosh, one of the attorneys in the case had filed with the clerk of the court a brief in the case instead of the complaint. The matter was easily straightened out as the papers had become mixed in the pockets of the attorney.

## EARLE CLEMENS IS AT THE BUTLER

One of the best shows of the season was at the Butler theater last evening and was enjoyed by all. Mr. Clemens opened his return engagement and scored a big hit. His singing of "I'm On My Way to Reno," and his take-off of local hits went big and he responded to many encores. Today there will be another entire change of program, new pictures and new songs by Mr. Clemens and Miss Feldman will sing some new illustrated songs. Miss Feldman just returned from oldfield where she scored the usual big hit. The following pictures will be shown: "Imagination," comedy; "The Pirate's Air Ship," comedy; "Rabbits Jake," comedy; "Henry New Hat," comedy, and a big Edison drama entitled "Bradford's claim," showing "Ella," the smartest horse in the world, who takes the leading part in the drama. The usual matinee at 2 o'clock. Admission 10 cents.

## MIND READER MAKES HIT AT THE NEVADA

Dr. Willey and his assistant pleased a good sized crowd at the Nevada theater last night and the efforts of this artist from France were indeed appreciated. To begin with Dr. Willey does a few mind reading stunts that show him to be a thorough master of the mystical science called "Thought transmission." In addition the moving pictures were unusually good and were interesting. The illustrated songs brought forth deserved applause. It will be the aim of the management of the Nevada theater to give their patrons only the best in the line of vaudeville attractions, while the films shown are the pick of the catalogue. The same popular prices, 10 cents, will continue to prevail at this show house.

Fresh buttermilk at the Tonopah Dairy. 5-4-1f.
